

A stylized, painterly illustration of a mountain landscape. In the foreground, a winding road or path leads through a valley with vibrant orange and red autumn foliage. Tall, dark evergreen trees are scattered throughout the scene. In the background, majestic mountains with snow-capped peaks rise against a warm, orange-hued sky. The overall style is artistic and evocative, suggesting a sense of adventure and natural beauty.

# <Travls>

TRAVEL INTELLIGENT SYSTEM  
INFORMATION FOR INVESTORS

# Reiseberatung ist kaputt

## **Zu komplex**

Man soll einen Concierge fragen oder selber hunderte von Webseiten durchsuchen

## **Zu teuer und altmodisch**

Concierge Diensten gibt es nur bei den Luxus Agenturen oder 5-Stern-Hotels

## **Es funktioniert nicht**

Die Berater werden versuchen Ihnen das Reiseziel zu verkaufen, wo sie schon fertige Verträgen unterschrieben haben, und nicht unbedingt wo Sie Spaß haben werden

# Wie Reiseberatung soll sein

## Dead simple

Geben uns ein Paar Schlüsselwörter - was ein ideales Urlaub für Sie bedeutet

## Totally affordable

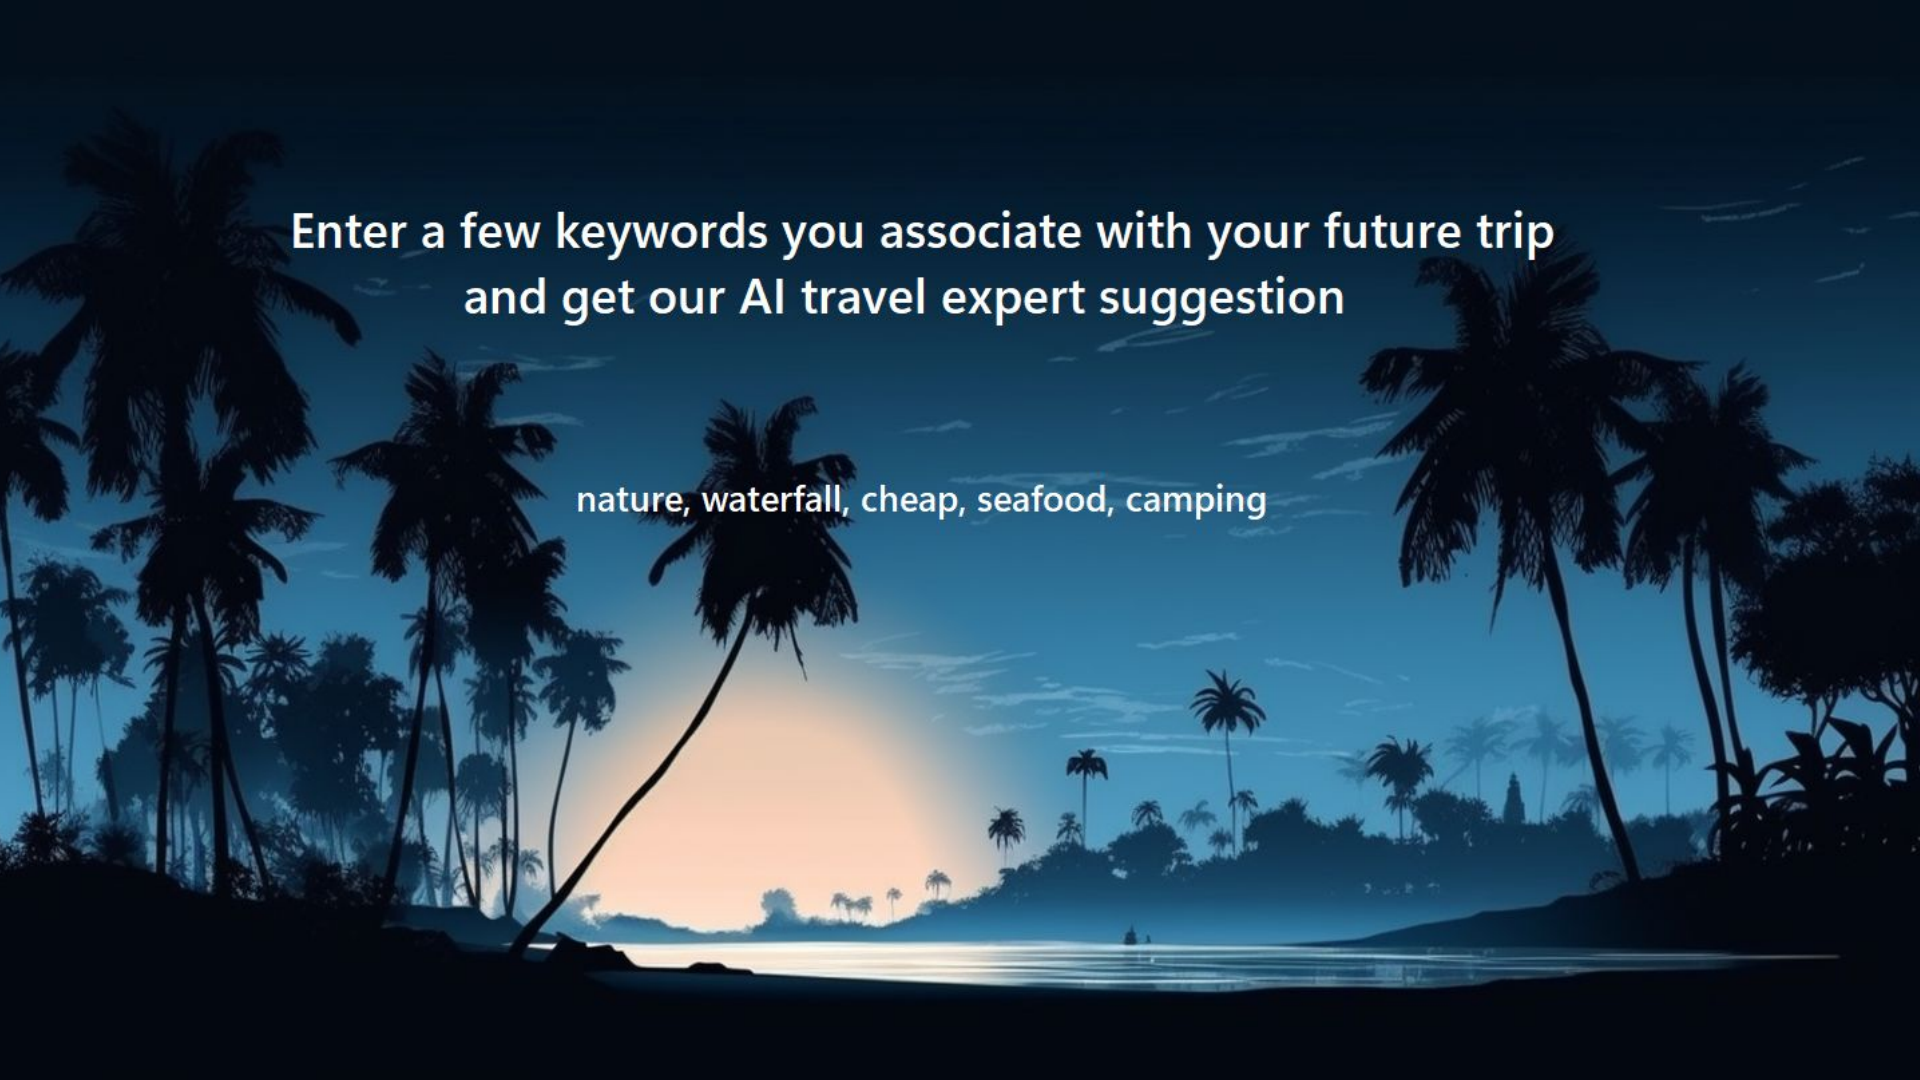

Wir sagen kostenlos!

## Warum soll's klappen?

Die Nutzer werden die Anwendung mit notorischem Chat GPT assoziieren und deshalb gerne damit spielen. Wenn die Vorschläge wirklich interessant sind, dann werden sie auch die volle Funktionalität nutzen.

A tropical sunset scene with silhouettes of palm trees and a calm body of water reflecting the orange and yellow sky. The text is overlaid on the upper half of the image.

# Who we are and why we can make it

Alina: sales, content, finances, marketing, UI.  
She brings more than 5 years of experience in hospitality industry.

Dominik: development, implementation, API.  
He brings more than 7 years of expertise in applied programming

Together: 1.5 years of successful cooperation in student projects and labs.

# Where we go next

A-Version: kleines Crawler, begrenzte Test-Aufgaben

B-Version: Crawlers für verschiedenen Sprachen, Ausdehnung von Database

Release: Einschließung von Hotels- und Flüge-Buchungssystem

## First Milestone

After two years of low or even non-existent income we want to become self-supporting by earning 60.000 € per year, so that we can completely dedicate ourselves to the project.

Attracting new customers from social media, travel agencies and exhibitions advertisement
